

# DC PLASTIC SURGERY BOUTIQUE

**FOR WOMEN, BY WOMEN**

Dr. Anita Kulkarni MD is one of DC's most sought-after plastic surgeons for breast & belly surgery. She is known for her warm, empathetic demeanor and gorgeous, natural results. Her style combines technical expertise with an artistic eye for bringing out the best in each woman's natural shape. Dr. Kulkarni specializes in breast surgery, belly surgery, liposuction, and labiaplasty. She is affectionately known as the "queen of mommy makeover."

Elizabeth Cissell RN is the expert aesthetic injector at DC Plastic Surgery Boutique. Patients adore Liz for her gentle touch, easy nature, and beautiful, subtle results. Liz performs the whole spectrum of injectable treatments including Botox, fillers, Kybella, and Sculptra. She has a loyal following of patients who return again and again for her skilled care.
